Honorable Ted Stevens

Washington, D.C. 20510

Dear Senator Stevens:

This is in reply to your letter of February 23, 1993, in which you inquired on behalf of your constituent, Michael Salazar, regarding the Notice of Proposed Rule Making (Notice) in PR Docket No. 92-235, 57 FR 54034 (1992). This Notice proposes comprehensive changes to the Commission's Rules governing the private land mobile radio services operating in the frequency bands below 512 MHz.

The proposals in the Notice reflect to a large extent concepts and proposals submitted in the initial inquiry stages of this proceeding. None of the proposals set forth in the Notice, however, are engraved in stone. Indeed, the proposals represent our best judgment at this stage of the proceeding on steps that must be taken to improve the regulatory climate for users of the private land mobile radio spectrum below 512 MHz. Dear Ms. Solheim:

Enclosed is a copy of a letter from Michael Salazar regarding the potential effect of the Federal Communication Commission's proposal to revise the private land mobile radio services (PR Docket #92-235) on Southeast Alaska.

I hope that the FCC will take the points raised by Mr. Salazar into account when reviewing the public comments on PR Docket #92-235. In addition, I would appreciate receiving a response to Mr. Salazar's specific concerns.

With best wishes,

Cordially,

TED STEVENS
